ADVANCED DRAINAGE SYSTEMS, INC.
4640 Trueman Boulevard
Hilliard OH 43026
USA

Subject: Certificate No. 988
Standard: NQ 3624-115
Product: Polyethylene (PE) pipe - Flexible corrugated pipes for drainage
Plant address: 58 Wyoming Street Stonybrook Industrial Park Ludlow MA 01056 USA

Dear Sir,

Following the analysis of your file, we are pleased to renew the enclosed certificate.

Since a certified product must be differentiated from ordinary products, the Bureau de normalisation du Québec has registered, for this purpose, a mark exclusive to certified products which you must affix together with your certificate number, either on the product or on the delivery slip, after having made sure that they comply with the above-mentioned standard.

Note that the list of BNQ certified products is available on the Website [www.bnq.qc.ca].

We trust that everything will be to your satisfaction, and we remain,

Benoit Houde, Eng.
CERTIFICATION

BH/II

Incl.

c. c.: Daniel Hamel, Ministère des Transports du Québec
Richard Laroche, MAPAQ

Note. — This certificate must be displayed in full view of your customers at the manufacturing sites as stipulated in article 9 b) of the BNQ Document NQ 9902-001 *Product, Process and Service Certification — Rules of Procedure*.

Certificat de conformité

Le BNQ est membre du Système national de normes (SNN).

N° du certificat : 988 Date d'expiration : 2012-04-30

N° de la norme : NQ 3624-115/2000-02-04 M1 (2003-04-17)

N° du protocole de certification : NQ 3624-907/2001-01-18

* Les éléments du protocole de certification relatifs à la désignation des raccords et des méthodes de raccordement recommandées par le fabricant ne sont pas pris en compte dans l'application du présent protocole de certification.

Le Bureau de normalisation du Québec, ayant reconnu la conformité des tuyaux (PE) en polyéthylène - Tuyaux annelés flexibles pour le drainage :

diamètre de 100 mm, types 1 à 3

ainsi que l'aptitude du détenteur à fabriquer ces produits conformément aux exigences de la norme et du protocole de certification, délivre le présent certificat à :

**ADVANCED DRAINAGE SYSTEMS, INC.
58 Wyoming Street
Stonybrook Industrial Park
Ludlow MA 01056
USA**

Le présent certificat est délivré selon les règles précisées dans le document NQ 9902-001/2002. En foi de quoi ont signé à Québec, le 29 avril 2010.

Chef - Groupe certification

Responsable du programme

Le présent certificat demeure la propriété du BNQ et doit lui être retourné s'il le demande.

Certificate of Conformity

BNQ is a member of the National
Standards System

Certificate No.: 988

Expiry date: 2012-04-30

Standard No.: NQ 3624-115/2000-02-04 M1 (2003-04-17)

Certification protocol No.: NQ 3624-907/2001-01-18

* The elements in the certification protocol relating to the designated fittings and the jointing methods recommended by the manufacturer are not taken into account in the application of this protocol.

The Bureau de normalisation du Québec, having recognized the conformity of Polyethylene (PE) pipe - Flexible corrugated pipes for drainage:

Diameter of 100 mm, types 1 to 3

as well as the capacity of the holder to manufacture these products in conformity with the requirements of the above-mentioned standard and certification protocol, issues this certificate to:

**ADVANCED DRAINAGE SYSTEMS, INC.
58 Wyoming Street
Stonybrook Industrial Park
Ludlow MA 01056
USA**

This certificate is issued according to the rules specified in the Document NQ 9902-001/2002. In witness whereof, we have signed in Québec, on April 29, 2010.

A handwritten signature in blue ink, appearing to read 'Jean Levesque', is written over a horizontal line.

Certification Group Leader

A handwritten signature in blue ink, appearing to read 'Benoit Hande', is written over a horizontal line.

Certification Agent

This certificate remains the property of BNQ and must be returned to the BNQ upon request.
